Celebrating 88 Years

Excellence      Service      Pride

### Fire Season 2015

As the 2015 fire season has quietly drawn to a close we stop and reflect on what made this year so successful. Without a doubt it's our residents who make our organization strong. You are our partners in fire prevention and fire suppression. You educate yourselves about fire danger, you follow regulations, and you assist as our eyes in the forest. You are our secret weapon.

During this past fire season while a slow fire occurrence year, had the potential for catastrophic fires. Walker Range had 21 statistical fires (District fires), 13 Non-Statistical Fires, those that we help other districts/agencies suppress, and 10 Non Fire Crew Actions, fires that we don't take any suppression action on. Of the 21 stat (Statistical) fires we only burned  $\frac{3}{4}$  of an acre. **3/4 of an acre!** That folks is as accomplishment we are proud of. You helped in this statistic. We thank you from the bottom of our hearts for that assistance too.

While our troops at home caught up on various project work we did dispatch overheard personnel to assist other areas within the state. Walker Range provided assistance on 14 off district fire assignments this past summer. The experience and skills brought back to our district makes our organization stronger.

In closing we want to take this opportunity to thank everyone who assisted us this past year. We appreciate you and want to continue our relationships into the future.

Have a safe and wonderful holiday season.

*Happy Holidays*
